MEMORANDUM FOR: Office of the General Counsel, CIA

SUBJECT : Request for Postponement of Jury Duty for
[REDACTED] 25X1A9a

25X1A9a

1. [REDACTED] a Negative Engraver in the Graphic Arts Reproduction Division, TSS, has received a summons to appear for Jury Duty for the Municipal Court of the District of Columbia on December 6, 1955.

25X1A9a

2. [REDACTED] is a member of a four man section through which pass the working negatives required for preparation of the final printing plates on all documents in process of reproduction. This activity is essential to the operations of the TSS Graphics Division; no document can be acceptably reproduced without negative corrections, opaquin and line-width adjustment. One other member of the four-man Negative Engraving Section has been called and has reported for Jury Duty with the Baltimore City Court effective 5 December and continuing to the Christmas court holiday. The loss of both men from this activity will effectively reduce the productivity of the entire Graphics Division by one-half at a time when production of new documents for spring operational activity is at its highest.

25X1A9a

3. TSS would appreciate the efforts of your office to secure postponement of [REDACTED] call to Jury Duty until a later date, perhaps after 1 January 1956, at which time the other Negative Engraver will have been released from duty in Baltimore.
